

Tax receivables

Fast Finance

Fast Finance is the business area of the Banca IFIS Group dedicated to purchasing tax receivables arising from insolvency proceedings. Based in Bologna, it is a leading company in the services for insolvency proceedings, capturing over 50% market share.

Receivables are factored without recourse and without any cost for the seller, with Fast Finance taking responsibility. The high level of technical know-how acquired thanks to its long experience in this sector enables Fast Finance to offer qualified assistance to its clients. Fast Finance has eight Area Managers who work on a daily basis with the courts, offering qualified assistance to its clients.
